academic year 2026/2027

## Supplementary Information Form

The ethos of this school is Catholic. The school was founded by the Catholic Church to provide education for children of Catholics families. Whenever there are more applications than places available, priority will be given to Catholic Children in accordance with the oversubscription criteria listed in the schools published admission policy. The school is conducted by its Governing Body as part of the Catholic Church in accordance with its Trust Deed and instrument of Catholic Education for all our pupils. At a Catholic school, catholic doctrine and practice permeate every aspect of the schools activity. It is essential that the Catholic character of the schools education be fully supported by all families in the school. We therefore hope that all parents will give their full unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.
