St. Paul's School for Girls

Headteacher: Dr D. E. Casserly B.A. (Hons), M.Ed., Ed.D.

Dear Year 13 Pupil

It is with regret that I have to confirm that the Government have made the decision to close schools to most pupils in response to the Corona virus. We, therefore, have put plans in place to support you and your learning for however long school could be closed.

Log onto Firefly each day for your work and prayer.

Organise yourself as if you were in school. Spend the allocated amount of time on each subject and continue with your independent study.

Work will be set by your teachers according to the number of lessons you have per week.

You can also email your teachers for any guidance and advice.

Each teacher will ask you to return work in different ways, so please follow instructions carefully.

At this point, we only know that your examinations won't take place in May and June. As soon as we are informed of future plans, we will, of course, immediately let you know. We suggest that you continue to prepare as if they will go ahead.

You will not be disadvantaged in any way. Every pupil in the country will be having the same experience. When we are given guidance about the reopening of school, you will be informed immediately. We shall be in regular contact with your parents and they will also be following the national news.

Remember to pause at 12 midday for the Angelus. It will be good to know that we will all be united in prayer at that time. Remember to pray for each other.

I will email you each day with any developments and be assured of our support.

With every blessing.

Dr D.E. Casserly
Headteacher
