

Your SPG Politics journey ends here – ready to take your skills, deep knowledge and passion into your academic, working and everyday life and learning.

*When day comes we step out of the shade,
 aflame and unafraid
 The new dawn blooms as we free it
 For there is always light,
 if only we're brave enough to see it
 If only we're brave enough to be it'*
 Manda Gorman at Biden's inauguration

Year 12 Politics – Paper 1 and 2

You will start the course with all the prior skills you have from your deep learning day with us, your GCSEs and all the passions and knowledge you have from your political interests and the summer learning you have completed – get ready!

You will have half termly assessments including 2 PPEs a year – but don't worry we will support you with all of the tools you will need to achieve – aim for progress not perfection! We will model what these pieces should look like in class and give you lots of retrieval practice opportunities to help embed your knowledge
